### SUNDAY HOURS

### TELEPHONE

STD

### WEBSITE

http://

Individual pub website only, NOT web address for pub group (e.g. Wetherspoon, Punch Taverns, etc.).

### E-MAIL ADDRESS

Please provide an e-mail address for the pub where there is one. IMPORTANT - For marketing purposes

### PERMANENT BEERS

Permanent beers only. Six beers maximum. List them alphabetically by brewery, then in order of strength. Guest and seasonal beers are no longer listed here. If guest and/or seasonal beers are available or if the beers are constantly changing (previously listed as 'Beer range varies') please leave this section blank and fill in the section 'CHANGING BEERS' below. Don't forget the dispense symbol for each beer: [H] (handpump, gravity, electric pump or air pressure). For House beers please see below. Please refer to attached guidelines for more detailed information.

See examples in sample entries overleaf

### CHANGING BEERS

Please give the number of changing (non-permanent) beers available (guest and/or seasonal beers or varying beers if the range is ever-changing). Please also indicate if these tend to be sourced locally, regionally or nationally (see guidelines for details; tick one option only). Please include dispense method(s).

Number of beers Local Regional National (tick one option only)

Method of dispense: H Handpump G Gravity P Electric Pump A Air Pressure

Please give up to three examples of breweries (not beers) that are often featured, in alphabetical order. Please leave blank if no examples can be given.

### HOUSE BEER

If a house beer is available, please tick the box and include the name of the source brewery. If this is not known, a house beer cannot be listed. Please include dispense method.

### CELLARMANSHIP AND DISPENSE

This section is extremely important. Please consider it very carefully.

Tick boxes as appropriate
