beers available (guest and/or seasonal beers or varying beers if the range is ever-changing). Please <u>also</u> indicate if these tend to be sourced locally, regionally or nationally (see quidelines for details; tick <u>one</u> option only). Please	,					М	etho	of	dispe	ense	:	Н	На	ındpu	ımp		G	Gra	vity		P	Elect	ric P	ump		А	Air F	ress	sure							
include dispense method(s). Please give up to three examples of breweries (not beers)						Ι								\perp	Ι											\perp	Ι	Ι								
that are often featured, in <u>alphabetical</u> order. Please leave blank if no examples can be given.					L	$\underline{\mathbb{I}}$						L	I	I		Ι								L	Ţ		Ι	Ι								
																Ι												I								
HOUSE BEER If a house beer is available, please tick the box and include		_					_	Ţ													,													_		
the name of the source brewery. If this is not known, a house beer <u>cannot</u> be listed. Please include dispense method	L		Hou	se b	eer		L																											Sou	urce b	rewer

CELLARMANSHIP AND DISPENSE

This section is **extremely important**. Please consider it very carefully.

Tick boxes as appropriate

Return Tray
This pub uses return trays (also known as Autovacs or beer economisers) on some or all of its real ales.

Misleading DispenseThis pub does not use fake or false handpumps.

GBG SURVEY FORM SEE GUIDELINES OVERLEAF FOR MORE INFORMATION

ONE LETTER PER SQUARE · PLEASE USE BLOCK CAPITALS

Entries should be up to a maximum of 80 words and not less than 50. It is important to reach the maximum wherever possible: too many short entries will unbalance the Guide and lead to an unsatisfactory design. Do not break words at the end of a line. Please write neatly: unclear handwriting can lead to errors. Please see guidelines and sample entries overleaf for advice on how to write descriptions.
